CONTINENTAL PLANTS

Since 1968, Continental Plants has been creating value for Underperforming & Nonperforming Commercial and Industrial Businesses. Industrial Auctions are one of many tools we utilize to maximize recovery values, but are often connected to a broader strategic program.

- Developing and Implementing Unique Strategies to Maximize Net Recovery
- Appraising the Sum of the Parts vs. the Value of the Business
- Assessing Value Enhancement Opportunities vs. Value Erosion
- Superior Analytical Approach to Conveying Clear and Concise Value Propositions to Strategic and Financial Buyers
- Executing Transactions on Accelerated Timelines to Capitalize on Core Opportunities
